**REQUEST FOR THE INSURANCE AND PENSIONS INDUSTRY'S INPUTS INTO THE 2022
NATIONAL BUDGET**

1. As you are aware, we are now approaching the period of the 2022 National Budget preparation by the Minister of Finance and Economic Development.
2. The insurance and pension industry is an important sector and a strategic partner to the Government in the implementation of National Development Strategy 1.
3. Given the strategic importance of the insurance and pension industry, it is therefore important that we submit our inputs to the Ministry of Finance and Economic Development timeously.
4. Considering the foregoing, the industry is therefore requested to provide policy inputs towards the 2022 National Budget no later than the 15th of October 2021.
5. The Commission strongly advise that your budget input submissions should be of a policy nature.
6. We request that submissions be emailed to esithole@ipec.co.zw and copy actuarial@ipec.co.zw by 15 October 2021 for consolidation.
7. Your usual cooperation will be greatly appreciated.

Yours sincerely
