ANNUAL AUDITED FINANCIAL STATEMENTS REPORTING REQUIREMENTS

Basis of Circular

1. This Circular is issued in terms of Section 3(1) of the Insurance and Pensions Commission (Issuance of General Guidelines and Standards) Regulations, 2020, published in Statutory Instrument 69 of 2020, which empowers the Insurance and Pensions Commission, to issue general guidelines and standards to regulate and monitor the management and administration of pension and provident funds, to ensure that they maintain set standards and ensure compliance with the Pension and Provident Funds Act [Chapter 24:09].

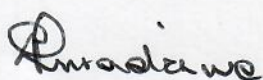

Objective of the Circular

2. To provide annual reporting template for pension and provident funds.

Reporting Requirements

3. The Commission issued Circular 20 of 2021 in June 2021, which required the industry to report financial statements in accordance with IFRS 1 following the adoption of International Financial Reporting Standards (IFRS).
4. Subsequent application of IFRS requires each fund to report on the current period and comparative figures for the prior year, that is, two reporting periods.

5. The Commission acknowledges receipt of representation from the industry regarding benefits of adopting IAS 29 (Financial Reporting in Hyperinflationary Economies) vis-à-vis the costs involved. Please note that, this matter is receiving attention. However, noting that we are already in reporting season, the Commission is issuing this circular on the basis of the existing reporting requirements. Any changes to reporting requirements will take effect from financial year 2022.
6. Meanwhile, the pension fund or administrator is required to populate the excel template attached to this Circular using the audited results and submit together with the audited financial statements.
7. Also submit a schedule of non-resident assets and liabilities as at the end of the reporting period.
8. All the other requirements of Circular 20 of 2021 are to be adhered to in the preparation of Audited Financial Statements which should be submitted by 30 June 2022.
9. The auditor responsible for the audit exercise should be registered with the Public Accountants and Auditors Board.
10. Please be reminded that, section 15 of the Pension and Provident Funds Act empowers the Commissioner to reject any audited accounts if they do not meet the requirements required. Therefore, the audited financial statements should conform to the reporting requirements.
