

Circular 27 of 2022

16 June 2022

TO: **Zimbabwe Association of Pension Funds (ZAPF)**
Pension Fund Administrators

Template for Fund Administration Business

1. In March 2022, the Commission issued Circular 11 of 2022, which requires pension fund administrators to submit quarterly returns for their fund administration business.
2. To ensure standardised reporting, the Commission has developed a template to guide pension fund administrators when they are preparing their returns.
3. Pursuant to the above, registered life companies and insurance brokers that are into pension administration must complete all sections of the template except for the balance sheet.
4. On the other hand, professional employee benefit administrators must complete all the sections of the return.
5. The template attached becomes effective from the second quarter of 2022.
6. All enquiries and clarifications should be directed to pensions@ipec.co.zw.

Please be guided accordingly.

Yours sincerely,
