Issuance of Revised Guideline for Treating Unclaimed Benefits and Suspended Pensioners

In pursuit of its mandate to safeguard pension values and improve data integrity, for the protection of the interests of fund members and their beneficiaries, the Commission hereby issues the Revised Guideline for Treating Unclaimed Benefits and Suspended Pensioners.

This guideline replaces the guideline on Treating Unclaimed Benefits and Suspended Pensioners that was issued through Circular 19 of 2021. The revision follows the observation by the Commission of continued misclassification of members with unclaimed benefits resulting in over or understatement of such member benefits. IPEC has noted inconsistencies in the factors that are taken into consideration when determining whether to classify a benefit as unclaimed or deferred. To ensure correct classification of members and data integrity, the Commission has incorporated guidance highlighting the factors that will inform whether to classify a benefit as unclaimed.

The guideline is attached to this Circular for your attention and implementation.
All enquiries and clarifications should be directed to pensions@ipec.co.zw.

Please be guided accordingly.

Yours Sincerely

Grace Muradzikwa

COMMISSIONER OF INSURANCE PENSION AND PROVIDENT FUNDS
