

10 January 2023

Circular 1 of 2023

To: All Pension and Provident Funds

Zimbabwe Association of Pension Funds (ZAPF)

Life Offices Association of Zimbabwe (LOA)

Insurance Brokers Association of Zimbabwe (IBAZ)

Pension Fund Administrators

ASSESSMENT OF ANNUAL REPORTING REQUIREMENTS

1. Following the issuance of the Financial Reporting Guideline through Circular 34 of 2022, the Commission held capacitation workshops with the industry to enhance understanding of the requirements of the guideline.
2. Pursuant to the above, each fund administrator is, therefore, requested to submit, on or before the 27th of January 2023, a set of sample financial statements as at the 31st of December 2022 for a single fund prepared in line with aforementioned Guideline and all the other applicable statutory requirements.
3. The purpose of these sample submissions is to enable the Commission to assess the extent of compliance to the Guideline by pension funds. This will enable the Commission to provide timely feedback to each administrator to enhance compliance before submission of the final audited accounts for each pension fund by the 31st of March 2023.
4. The sample accounts do not necessarily need to provide accurate and final figures but should have all the required disclosures as per the guideline. It should be noted that we only require one set from each administrator, that is, for one fund under the administrator to use for preparing the sample.

Stand Alone Funds are also expected to populate the template for the Commission to appreciate the level of compliance to the new Guideline.

5. The Commission expects that the audit of the 2022 financial statements for each pension fund is currently progressing very well and each fund will be able to comply with the 31st of March 2023 submission deadline.
6. Please be guided accordingly.

Yours sincerely

Grace Muradzikwa
